To Whom It May Concern:

I am please to write this letter of recommendation for Mr. Kirk Owens and Convey Communications, LLC. I had the pleasure of working with Mr. Owens on a project that involved the buildout of our new office and warehouse facility in Oklahoma City in Spring of 2009.

Mr. Owens was efficient, professional and always available. I was particularly pleased that he was able to respond quickly to the inevitable questions and issues that developed during the course of the project.

Convey's experience was evident in the pre-planning, installation and follow-up of our project. I would recommend Convey without reservation, as they proved to be a satisfying partner with Glazer's Oklahoma.

Regards,
