

To Whom It May Concern:

We have used Convey Communications for going on 3 years now as our Structured Cabling vendor here at Midwest City Regional Hospital. The experience has been an excellent one.

The staff is timely in arriving on site, does a great job with the task at hand, owns the expertise to support our various needs and all in all does a great job. When needed Convey makes their schedule work to fit our needs and billing is never a problem. Pricing is fair and consistent as well.

I continue to use Convey Communications for Structured Cabling and will consider any other products or services they offer as well. I definitely recommend Convey as a professional Communications Vendor to anyone who needs this kind of support.

Sincerely,
